Dear Mr. Almroth,

On behalf of Oregon City Schools and Fassett Junior High Science teacher, Caine Kolinski, thank you to Jones-Hamilton Company for supporting Mr. Kolinski's registration and accommodations for the OCTC Teachers, Industry & Environment (TIE) Conference this past October in Dublin, Ohio.

Mr. Kolinski found the conference extremely valuable and can apply concepts immediately in his classroom. Your commitment to science instruction with this sponsorship has certainly reinforced Mr. Kolinski's excitement for teaching science. This is Mr. Kolinski's first year teaching at the junior high level transferring from teaching high school students for many years. This training came at a perfect time for him.

Moving forward, if there is ever anything our school system or I can do for your organization please don't hesitate to ask. In addition, if there are any additional opportunities for our teachers or students to interact with your organization we would certainly welcome a continued partnership. Thank you again!

Sincerely,

Hal D. Gregory
